

SPRING CHESS WESTBROOK

Mondays 3:30-4:30, Wednesday & Thursday: 8:05-8:50
Sponsored by the Westbrook/Glen Grove PTA.

Learn pins, forks, double attacks and checkmating moves! Learn bughouse (team chess) and play for trophies in the class championship! Learn thinking skills that help in school and in sports! Everyone can win a trophy if they participate in class. Our national champion coaches Gauri and Arjun Manoj are Glenview residents and attended Glenbrook South High School. Be part of our chess team that competes in state tournaments! Our Westbrook School chess team won last year's State Championship for second graders!

PARENTS: Why chess? Chess will help map your child's brain for math and science by teaching how to break problems down into steps, solve puzzles and win games! Chess also teaches logic and planning and how to peacefully resolve disputes. Psychologist Howard Gardner says "The ability to anticipate chess moves and their consequences seems closely tied to strong imagery" and that good chess players have good spatial intelligence. He states that spatial intelligence (one of his eight intelligences that children need to develop) is critical for today's environment because it is the basis of creativity in the working world. Our classes emphasize learning thru game play and solving puzzles. There is no chance in chess. Each game is really a series of interactive puzzles created by the players, one move at a time. With practice, your child will learn the rules and tactics. This body of knowledge and experience will grow and soon result in multi-move strategies that win games. The player who can calculate the logical progression of moves furthest forward always wins! Kids will be rewarded (with various sized trophies) based on the amount of points earned thru work at home playing games, solving puzzles, and on tournament play in class. We reward hard work! With your help, your child can reap the vast rewards chess has to offer!

3:30-4:30 PM Mondays: March 4 to May 20: \$149

8:05 AM Wednesdays: March 6 to May 15 (No class 3/20): \$117

8:05 AM Thursdays: March 7 to May 16 (No class 3/21): \$117

(Mon classes held in LRC; Wed & Thu classes in Room 16)

Enrolled students will get a gold membership to ChessKid.com (valued at \$50/year)

Invite us to your home for private chess lessons! We offer refunds anytime, no questions asked. Attend all classes as our helper and get free tuition. Classes are open to K-2 Westbrook Students. Register online or by email. First come, first served. Checks are payable to Glenview Chess. Satisfaction Guaranteed!
