### Sphero SPRK+ Coding @ Glen Grove

TUESDAYS 7am-7:55am

3rd-5th Graders

Tuesday Session Dates: 3/5, 3/12, 3/19, 4/2, 4/9, 4/16, 4/23, 4/30, 5/7, 5/14, 5/21 (11 Sessions)

No classes 3/26

\$160

We are excited to continue to offer our Sphero Sprk+ coding class at Glen Grove. What is [Sphero Sprk+](#)?

This tool allows students in pairs to explore programming through play. With the SPRK+ we can learn the fundamentals of coding; events, if statements, loops and more. The best part is that the kids can see how their code worked immediately enabling them to evaluate what they did, what they thought would happen and what actually happened.

### Computer Game Creation @ Glen Grove

Fridays 2:30pm-3:30pm

3rd-5th Graders

Fridays Sessions: 3/8, 3/15, 3/22, 4/5, 4/12, 4/26, 5/3, 5/10, 5/17, 5/24 (10 Sessions)

No classes 3/29, 4/19

\$150

Code Play Learn is excited to offer our Computer Game Creation class at Glen Grove. This class is ideal for new and returning wanting to learn how to build their own programs.

Using MIT's Scratch programming platform, students will create their own interactive media, including stories, games and animations. During our projects students will learn fundamental coding concepts including loops, decision statements, variables, mathematical operators, boolean logic, events and more.
