

# SPRING CHESS GLEN GROVE

**NEW: GIRLS ONLY FRIDAYS AT 2:30!!  
WEDNESDAYS 2:30 & TWO CLASSES FRIDAYS: 7 AM & 2:30 GIRLS ONLY!!  
SPONSORED BY THE WESTBROOK/GLEN GROVE PTA.**

National Chess Champions Gauri and Arjun Manoj are back at Glen Grove for another fun filled season! Learn pins, forks, double attacks and checkmating moves! Learn bughouse (team chess) and play for trophies in the class championship! Everyone can win a trophy if they participate in class. Learn thinking skills that help in school and in sports! Be part of our chess team that competes in the tournaments! Our Glen Grove School won last year's State Championship for third graders!

**PARENTS:** Why chess? Chess will help map your child's brain for math and science by teaching how to break problems down into steps, solve puzzles and win games! Chess also teaches logic and planning and how to peacefully resolve disputes. Psychologist Howard Gardner says "The ability to anticipate chess moves and their consequences seems closely tied to strong imagery" and that good chess players have good spatial intelligence. He states that spatial intelligence (one of his eight intelligences that children need to develop) is critical for today's environment because it is the basis of creativity in the working world. Our classes emphasize learning thru game play and solving puzzles. There is no chance in chess. Each game is really a series of interactive puzzles created by the players, one move at a time. With practice, your child will learn the rules and tactics. This body of knowledge and experience will grow and soon result in multi-move strategies that win games. The player who can calculate the logical progression of moves furthest forward always wins! Kids will be rewarded (with various sized trophies) based on the amount of points earned thru work at home playing games, solving puzzles, and on tournament play in class. We reward hard work! With your help, your child can reap the vast rewards chess has to offer!

*2:30-3:15 PM Wednesdays: March 6 to May 15 (No class 3/20): \$126*

*7AM Fridays: March 8 to May 17 (No class 3/22): \$109*
